Dear

### Royal London One-Day Cup (50-over)

Wednesday 17th August – Glamorgan v Lancashire  
Friday 19th August – Glamorgan v Hampshire

With Glamorgan being the winners of last year's competition, we are delighted this year to be staging two major games of the above competition at Neath CC with Lancashire and Hampshire as visitors. Lancashire have never previously played a 50-over Royal London One-Day Cup Game in West Wales. As we know Lancashire are an established Division 1 County Championship Club and it is a substantial scoop to see this fixture played in West Wales at the Gnoll. The last time Lancashire played at Neath and St Helen's was in 1961 and 1996 respectively.

The Balconiers therefore look forward to welcoming you all to this high-profile Lancashire game at Neath and as a committee we also look forward to working with the Neath club in ensuring a successful and enjoyable two days cricket. We have been fortunate in that these two fixtures have been scheduled for mid-August, which should attract a good crowd. As a result, we would like to invite you to book hospitality for tables of 10 in a marquee located on the boundary edge. The hospitality package (£55 per head for tables of 10) consists of:

- Private viewing facilities
- VIP match ticket – worth £15
- 2-course carvery lunch
- Afternoon tea
- Private cash bar

We would be very grateful for your support in ensuring that professional cricket continues to be played in West Wales. The Balconiers have reserved tables of ten for this important game v Lancashire on the Wednesday and the Balconiers look forward to welcoming both old and new hospitality clients to the West Wales Cricket Festival at Neath Cricket Club. Please find attached a booking form, which needs to be returned to me at your earliest convenience in the enclosed addressed envelope. Bookings are taken on a first-come, first-served basis.

Kind regards,

*John Williams*
