

Chris Cooke's Testimonial Brochure 2024

Chris Cooke has become one of Glamorgan's finest ever players.

Since arriving on the Glamorgan scene in spectacular fashion in 2011 initially known for his white ball batting he has become one of the best allrounders for the Club in all formats.

There are many of his achievements recorded in this brochure and many will have been witnessed by those reading this note but who from the St. Helen's Balconiers' cannot forget Glamorgan's Championship match at Leicester where the home side posted 584 in the first innings. They hadn't reckoned on an unbroken sixth wicket partnership of 461 between Sam Northeast and Chris Cooke.

Chris has a full programme of fundraising activities to keep him busy off the field this year which will culminate with the Balconiers November Buffet Lunch on the 15th November at the Towers Hotel.

November is still a way off so you can show your appreciation of Chris's outstanding efforts on and off the field, by contributing to his Testimonial Fund (plus nominated charities) and ordering his Testimonial Brochure – beautifully produced, with 96 A4 pages packed with informative insights and tributes from former and current players, coaches, writers, broadcasters and four pages of noteworthy achievements compiled by Dr. Andrew Hignell. If that hasn't whetted your appetite there is an article on behalf of the Balconiers' by Dr. Richard Bentley entitled "The Perfect Partner".

The achievements of Chris are regularly celebrated at the annual Balconiers' Awards Evening at the end of the season. Who knows 2024 is an opportunity for "Player of the Season".

We hope you will join fellow Balconiers' in supporting Chris by ordering a copy of his brochure either by using the reply slip below or if paying online by an email notification to john.balconiers@hotmail.com
